

**Every Wednesday
11am - 12pm
PROTEST OUTSIDE BRIAN MAST'S OFFICE
175 SW FLAGLER AVE**

We are joining forces with Indivisible of the Treasure Coast to raise some noise about Mast's incessant support of the illegal, unconstitutional, and immoral actions of the Trump administration. When he came to Palm City for his town hall, he showed he was fully aligned with Elon Musk's DOGE strategy as well, of course, with Trump. We don't need a politician who only serves part of his constituency!

Bring signs if you have them and come join the protest!
