

Federal Officials

Unfortunately, there is no Presidential ticket in 2026, but we do have a few opportunities to bring good government back to the nation.

Name	Title	Constituency	Term Expires
Rick Scott	Senator	State of Florida	2030
Ashley Moody	Senator	State of Florida	2026
Brian Mast	United States Representative	CD 21 (includes all of St. Lucie County, all of Martin County, and northeastern Palm Beach County)	2026

- **US Senate – elected every 6 years**

Rick Scott ran in 2024 for his second term and defeated Democrat Debbie Mucarsel-Powell by a margin of 12.8 percentage points. He will not be on the ballot again until 2030.

Ashley Moody, who was appointed in January 2025 by DeSantis to replace Marco Rubio, will be running in 2026 to hold onto her position as senator.

Jennifer Jenkins, a former Brevard County school board member who spoke to us at the Feb 4th Democratic Club meeting this year, has put her name in the running against Moody.

- **US House of Representative - elected every two years**

Brian Mast is our representative for CD 21. He has been our House Rep since 2017. He last was re-elected in 2024 when he defeated Democrat Thomas Witkop, beating him by approximately 23 percentage points (277,435 votes vs 171,312 votes.)

Pia Dandiya, Bernard Taylor, and Ed O'Connor are three of the many candidates who have said they are challenging Mast. The SOE office does not yet show them to be official candidates.
