

Stuart City Commission

Elections take place in the Primary Election on August 18, 2026.
(August 8 – 15 Early Voting)

A few facts about the commissioners:

- Commissioners serve a four-year term.
- Commissioner candidates must be residents of the City for more than 12 months immediately preceding the election and must maintain residency throughout their term.
- City Commissioners may serve no more than 12 consecutive years.
- Candidates elected to office assume their duties upon taking the oath of office administered at the first meeting of the city commission following their election
- City Commission elections are non-partisan.
- Commissioners are elected at large – they represent the entire city. Each of the five Commissioners is designated with a Group number: 1, 2, 3, 4, or 5. Using Group numbers provides a staggered structure for electing new Commissioners. Voters in the City of Stuart can vote for any of the city commission candidates, regardless of where the voter lives within city limits.
- Three commissioners – **Campbell Rich, Christopher Collins, and Eula Clark** – are up for re-election in the 2026 midterms. TBD if they will seek re-election or not.
